Instructions

♥ Take a photo of your students and crop their face to 5 -6cm²

♥ You can choose from a few different options:

- A - 1 page: children color everything (flowers, leaves and stem)
- B - 4 pages: Children color the flower, the leaves and stem are printed on green paper or cardstock.
- C - Alternative to the first B page in case you prefer not to use the writing labels or would like the writing completed separately.
- 2. 4 page template - useful if you prefer to print the stem and leaves on green paper

Writing strips - write 5 words, cut and past onto the petals.

The image shows six vertical writing strips arranged horizontally. Each strip is a tall rectangle divided into five equal horizontal sections by solid lines. The strips are separated from each other by vertical dashed lines, indicating they are meant to be cut out. The strips are currently blank, intended for a student to write five words on each.
