

Magnetic Number Word Mats (1-10)

Reading Numbers • Making Numbers • Counting • Writing Numbers

Number Word Mats

These magnetic number word mats are great for developing number sense for young learners. They are ideal for children who are learning to count and are working with numbers up to 10.

For more teaching resources visit my TPT store [here](#).

Instructions

- ♥ Print and laminate the mats so that the mats can be used with an erasable marker. Alternatively place the mats inside a clear sheet protector.
- ♥ **Read and make it**— Read the number word and make it with magnetic letters. Alternatively trace the number word with an erasable marker.
- ♥ **Count it**— Count the number of teddy pictures or count out that amount with real counters (e.g. bear counters, buttons etc).
- ♥ **Write it**— Use an erasable marker to trace the numbers. Children's washable markers come off easily with a damp cloth.

Terms of Use

You are permitted to use these resources for your own classroom use. Please direct anyone to my store or website if they wish to have their own copies of these resources. Alternatively you can purchase a multiple user license. You can show sample photos of my resources on your classroom website or blog if you provide a link to my TPT store or website www.fairypoppins.com . Please note this resource and the graphics used are copyrighted. Under no circumstances are you permitted to resell, redistribute or recreate any resources made by Fairy Poppins. You may not use or share any of these graphics in whole or in part for any reasons. Click on the credit links below if you wish to purchase any of the graphics. Thanks.

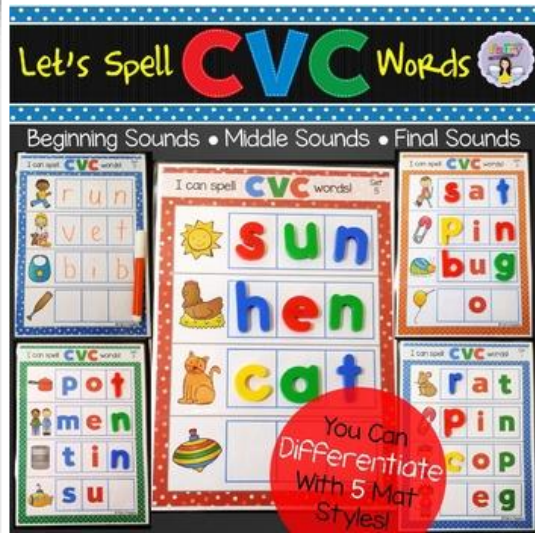

Credits

A big thank you to these talented artists for the use of their graphics.
