

# Robot Rhymes

These fun robot rhyming mats are a fun way for kids to learn how to identify words that rhyme.

For more teaching resources visit my TPT store [here](#).

## Instructions

♥ Print on cardstock or laminate for durability. Then cut the robot rhyming mats in half.

♥ Point to the picture on the left side of the mat and say what it is. Then ask the kids which words rhyme with it. For example, "Which word rhymes with cat? Cat, fan or cat, hat?"

♥ Place a peg on the picture that rhymes.
