# Number Mats

These number writing mats have a Valentine's Day theme but can be used any time of the year. They are great for morning work.

For more teaching resources visit my TPT store [here](#) or blog [fairypoppins.com](http://fairypoppins.com).

## Instructions

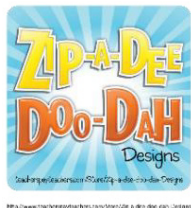

- ♥ Print and laminate the number mats. You can choose from the numbers 1 to 10 or 1 to 20.
- ♥ Provide the children with some erasable markers. Regular washable markers wipe off easily with a damp cloth.
- ♥ Instruct the children to start on the dot and trace all of the numbers.
- ♥ When the children have finished, you can extend their learning by asking them to read the numbers forwards or backwards.
