Instructions

- Print and laminate the resources for added durability.
- **Counting Mats**– Place a number card in the corner of the mat. Then count that number of counters on to the rocket.
- **Worksheets** – Read the number and then count that amount on to the ten frame with a Q-tip dipped in paint.
- **Number Cards** – These can also be taped to the top of chenille sticks so that kids can count beads or cut up straws onto them.

Terms of Use

You are permitted to use these copyrighted resources for your own classroom use. Please direct anyone to my store or website if they wish to have their own copies of these resources. Alternatively you can purchase a multiple user license. You may not print this resource or any of my other resources and then resell it. You can show sample pictures of my resources on your classroom website or blog if you provide a link to my TPT store, Instagram ([@fairypoppinsdotcom](https://www.instagram.com/fairypoppinsdotcom)) or website www.fairypoppins.com. Please note these are copyrighted graphics. You may not resell / redistribute / recreate / use or share these graphics or this resources in whole or in part for any reasons.

Thanks.

Credits

A big thank you to these talented artists for the use of their graphics.
