Frog Weather Mats

Fairy Poppins

Thanks for choosing these frog weather mats. They're a fun way to teach young kids about the weather.

Instructions

- Print and laminate the weather mats for added durability. You could also put them in a dry erase pocket sleeve (I ordered mine online).
 - **Write and wipe** – Kids can use an erasable marker to trace the weather symbols.
 - **Playdough** – Use playdough to make the weather symbols.
- **Counting Activity** – Kids can count out a certain number of frogs or ducks to put in the pond and then write the number on the mat with an erasable marker. You can use any counters for this activity.
