with Google Classroom™

Fairy Poppins

Thank you for supporting my store and choosing Boom Cards™ for use in your classroom.  
I hope your students enjoy using them!

Please see the following page for instructions on how to download this deck to your Boom Learning™ library.

For more teaching resources and freebies visit my blog: [www.fairypoppins.com](http://www.fairypoppins.com) and [click here to follow me on TpT!](#)

★ [Follow Me](#)

## How to Play

♥ Count the number of apples on the trees and add them together. Type the sum in the box.

## Terms of Use

You are permitted to use this copyrighted resource for your own classroom use.

This means you are entitled to one non-transferable single user license.

So if a friend or colleague requests to use this resource, please direct them to my store to purchase this resource.  
You may not resell / redistribute / recreate / use or share the graphics or this resource in whole or in part for any reasons.

Please do not share this resource on any shared drive or online platform accessible to people other than yourself  
(e.g. School shared drive, Facebook groups, Reddit, Wiki site, virtual hangouts for teachers to name a few).
