

Saint Patrick's Day

Counting to 10

Thank you so much for supporting Fairy Poppins. It brings me great joy to create resources that are helpful to you and your students.
Happy teaching! Rosey

Terms of Use

- You are entitled to a single user license to use this copyrighted resource for teaching purposes in your classroom. This includes special permission for distance learning, if it is accessible to only your students or their parents via a password secured login (i.e. Google Classroom, Seesaw, Boom Learning).
- Please do not share this resource on any shared drive or other online platform accessible to people other than yourself or your co-teacher if sharing a class (i.e. School shared drive, Facebook groups, Reddit, Wiki site, virtual hangouts for teachers to name a few).
- If a friend or colleague who is not co-teaching your students requests to use this resource, and you have not purchased a multiple user license, please direct them to my TpT store to purchase their own copy.
- You may not resell / redistribute / recreate / use or share this resource (or the graphics) in whole or in part for any reasons.
- This resource is copyright protected under the Digital Millennium Act.
- You can share photos of my resources in action on Instagram by tagging me @fairypoppinsdotcom.

Instructions

Counting to 10 Mats

1. Count ten counters onto the ten frame.
2. Trace the numbers with an erasable marker (begin where the dot is).

** There are two versions to choose from*

Ten Frame Clip Cards

1. Count the number of coins on the ten frame.
2. Clip the number that shows how many coins there are.
