★Follow Me

How to Play

- Count the marshmallows and then type the sum.

Terms of Use

You are permitted to use this copyrighted resource for your own classroom use.

This means you are entitled to one non-transferable single user license.

So if a friend or colleague requests to use this resource, please direct them to my store to purchase this resource.

You may not resell / redistribute / recreate / use or share the graphics or this resource in whole or in part for any reasons.

Please do not share this resource on any shared drive or online platform accessible to people other than yourself (e.g. School shared drive, Facebook groups, Reddit, Wiki site, virtual hangouts for teachers to name a few).

This resource is copyright protected under the Digital Millennium Act.

Credits

You can show sample photos of my resources in action on your classroom website or blog but please provide credit and a link to my TPT store, Instagram ([@fairypoppinsdotcom](https://www.instagram.com/fairypoppinsdotcom)) or website www.fairypoppins.com.

A big thank you to these talented artists for the use of their graphics.
