Instructions

- Print and laminate for added durability.
- A storage label is included to attach to a zip lock bag with some tape.
- Encourage the kids to say the name of each letter and the beginning sound e.g. "Apple - /a/". Then find the matching puzzle piece. The letters are in different colors to help children self-correct.
- Once the puzzles are complete, say all the names of the letters and their beginning sounds.
- You can also talk about the upper and lower case letters in each puzzle pair.
