Instructions

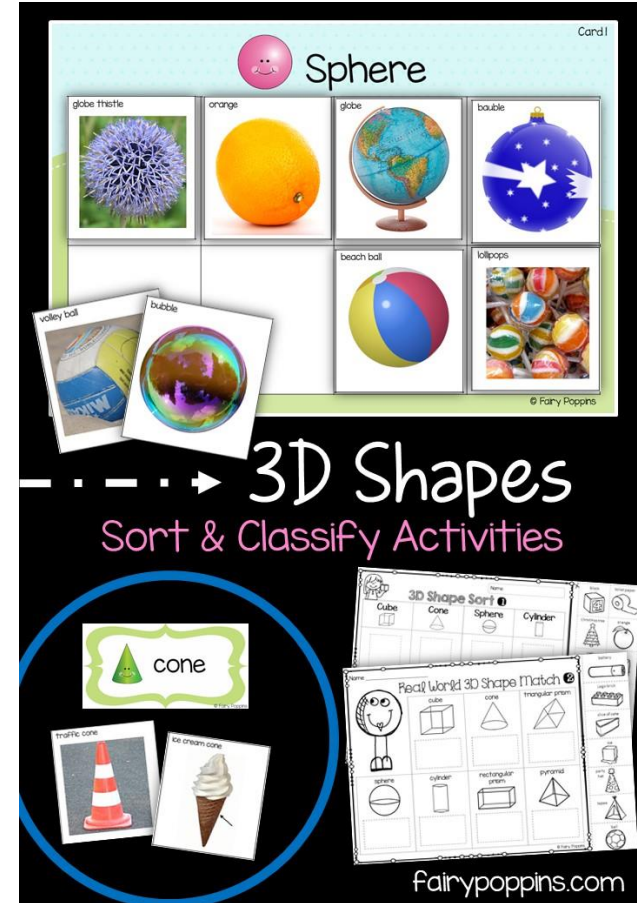

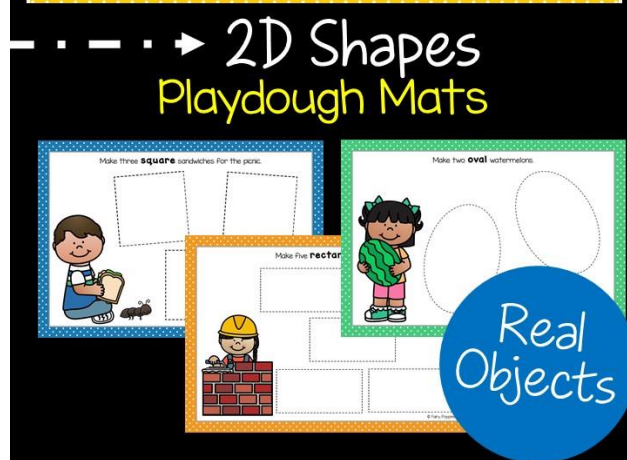

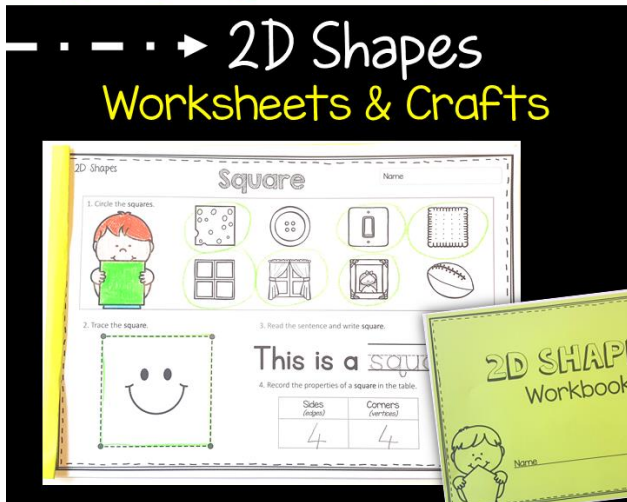

- Print and laminate the resources for added durability.
- Pattern block dice – Use the square labels if you have a pocket dice. If not create the cube with the pattern blocks.
- Roll and cover game – Give each child one mat and place the pattern blocks in a basket. Instruct them to roll the dice and name the shape, find the same shape and cover it on your mat.
- Roll and color worksheet – give each child a red, orange, green, blue, yellow and brown crayon. Instruct them to roll the dice and name the shape, for example “a yellow hexagon”. Find the shape and color it the same color as the pattern block.
